Date: February 22, 2020

Attendees: Rod Stevens, Marilyn Gottlieb, April Cheadle, Sheila Andrews, Quynh Ahn Nguyen,
Anne Vekklyn

Time: 9:00 – 10:00 am

Summary of Assignments:

Sara and Quynh Ahn

- Arrange snacks for next Saturday's 5th Saturday social.

Sheila

- Talk to Joy Archer and Jessica about putting the following on the website:
 - A calendar to the website, showing upcoming meets, deadlines, etc.
 - Links to registrations
 - A statement about the mission of BAM Boosters
- Email BAM members soliciting suggestions for a t-shirt line line.

Rod and Everyone

- Recruit Board members.

Budget

Rod recommends a midsummer check in regarding the budget – how much reserve is left? And what will give the maximum benefit? Rod stated that we may need to completely cut all of our scholarship funding.

Communications Report – Sheila

Sheila's role was discussed and clarified to state that she is to augment and be the "color" to April's more factual messages. Also, April can only discuss Rec Department and Masters Swim news, so BAMN Boosters should provide additional information on non-Park District events like Arms Around Bainbridge, team members outside interests, etc.

Sheila is continuing to work on the website, adding a calendar, links to the registration and statement about the mission of BAM Boosters.

T-Shirts

We are looking into a line for the back of the t-shirts. Sheila will email team asking for suggestions and giving a few of the ideas we already came up with. Sheila suggested having the BAM logo on the front either be up higher or a smaller logo in an upper corner.

5th Saturday Social

Sara and Quynh Ann will arrange for food and set it up for the 5th Saturday Social to be held next Saturday in the Cabana on the pool deck.

Coach's Report – April

The planned meet in March is now a meet at WWU tomorrow. She can also time swimmers on her own to be used for qualifications for Nationals.

Next Meeting: March 21, 2020 at 9 am
