**Time:** 8:45 – 9:20 am

### **Summary of Assignments:**

#### **Marilynn**

1. Create a recap of the party with information on number of people and amount of food and wine consumed.

#### **Jessica**

1. Continue work on Long Course Meet

#### **Rod**

1. Work on finding a BAM Board VP

#### **Holiday Party**

Rod made a list of discussion points to bring up at the party, including introducing the Board members, and listing accomplishments of the Boosters throughout the year.

It was decided that it would be helpful to have a recap of the party in the minutes so we can refer to it for future parties.

#### **Additional BAM meet - Long Course**

Jessica said that Mike Murphey (head referee) has a conflict and can not work on the day planned, but he gave her another name. Other options are Linda Chapman of WWU swimmers in Bellingham although they do not have the needed software.

**Next Meeting: January 18, 2020 at 9 am**

## **Party Recap**

The party, which was a great success, was held at Grace Episcopal Church which has plenty of space and provisions for a party.

We used the large table for drinks and hors d'oeuvres, 9 tables for guest seating and three tables for food, and a few more tables in the hall for coats and bags. There were approximately 70 people attending, and lots of food, most all of which got consumed. We could have used more tablecloths, but found some in the kitchen.

Approximately 10 bottles of wine were used and maybe 20 beers. Maybe 10-20 cans of seltzer and soft drinks were also used.

We have a lot of party supplies left over which are currently in my garage:

### **DRINKS:**

2 cases of sparkling water (70 cans)

30 cans coke and 30 of diet coke

3 bottles of champagne, 6 bottles of white wine and 2 of red wine

24 cans hop valley IPA, 17 bottles other beer, and 9 cans other beer

17 cans of hard seltzer (not popular)

### **BLUE BOX of Disposable supplies**

100-200 spoons, 100 forks, 100 knives
